3. Reward System

RipplePets offers a dynamic and enticing reward system, designed to engage and reward our community of pet owners.

Raffle:

- For every 1000 new mints, you have the chance to win in our Raffle.
- Be one of 20 lucky winners and receive a share of 1000 XRP. You don't need to do anything special; just be a part of our community!
- Each winner will receive 50 XRP.

RippleBets:

- Engage in RippleBets by speculating on the XRP 5-minute candle, predicting if it will go long or short.
- Win or lose, all qualified RipplePets holders receive daily tokens.
- Additionally, the top 10 players of RippleBets will receive 50 XRP each for every 1000 Mints.
- To maintain fairness and ensure that newcomers have an equal opportunity, tokens used in RippleBets will reset after every reward distribution. This periodic reset ensures that all participants, regardless of their entry point, can enjoy a level playing field within the RippleBets ecosystem.

PointRewards:

- Accumulate points as you hold and diversify your RipplePets collection.
- The top 10 holders with the highest points will receive 50 XRP each for every 1000 Mint.

Sales And Royalty:

- 10% of total sales will be distributed to holders of at least 10 pets (more hold, more reward).
- 50% of Royalty will be distributed to holders with at least 10 pets.
- Distribution will be every 1st of the month.

Minimum Requirements: To be eligible for the reward system, RipplePets owners must hold a minimum of 5 pets, encouraging active participation and fostering a sense of community within our NFT ecosystem.

4. Attribute Bonus and Pointing System

RipplePets owners can enjoy additional benefits based on their pet attributes and types. These bonuses add an extra layer of engagement and excitement to the collection.

Points: Every pet you own earns you 1 point. These points signify your commitment and can lead to additional rewards.

Type 1 (T1) Bonus:

- Hold T1 Pets and receive an extra token daily (1 T1 Pet = 1 Token Daily).
- Hold 5 T1 Pets with the same color and receive an additional 5 tokens daily.
- Hold 5 T1 Pets within the same family and receive an extra 5 tokens daily.

Type 2 (T2) Bonus:

- Hold 5 T2 Pets and get an extra Raffle entry.
- Hold 5 T2 Pets with the same color and receive an additional Raffle entry.
- Hold 5 T2 Pets within the same family and receive 2 extra Raffle entries.

Type 3 (T3) Bonus:

- Hold 5 T3 Pets and receive an extra 1 point.
- Hold 5 T3 Pets with the same color and receive an additional 1 point.
- Hold 5 T3 Pets within the same family and receive an extra 3 points.

These attribute bonuses add a strategic dimension to pet ownership, encouraging collectors to diversify their collections and aim for bonuses.

5. Utility

In addition to being a collectible NFT, RipplePets has plans to launch RippleBetsTrading, an upcoming platform that provides trading signals for XRP. Holders will receive timely notifications on when to buy and sell XRP based on algorithmic signals, adding a utility aspect to the RipplePets ecosystem.

6. Conclusion

RipplePets is not just an NFT collection; it's an immersive experience that combines art, gamification, and utility. With its engaging attributes, dynamic reward system, and upcoming utility features, RipplePets aims to create a vibrant and interconnected community of pet enthusiasts. Join us on this thrilling journey as we explore the world of CyberPunk Themed Pets and enjoy the exciting rewards it has to offer.
